SUMMER

SUMMER BRANCHES

The silent halls stand empty, still echoing the laughter of departed students. Books are stored away in neat piles, waiting to be used. There are no eager students waiting in the lunch line. There are no groups gathered to chatter in the auditorium. As the weeks come and go . . .

. . . the first signs of activity emerge at North. The marching band practices long and hard to create their traditionally excellent music. The football team works in the long, hot summer months to produce a squad that works well together. Teachers are returning to prepare themselves to foster the growth of young minds.

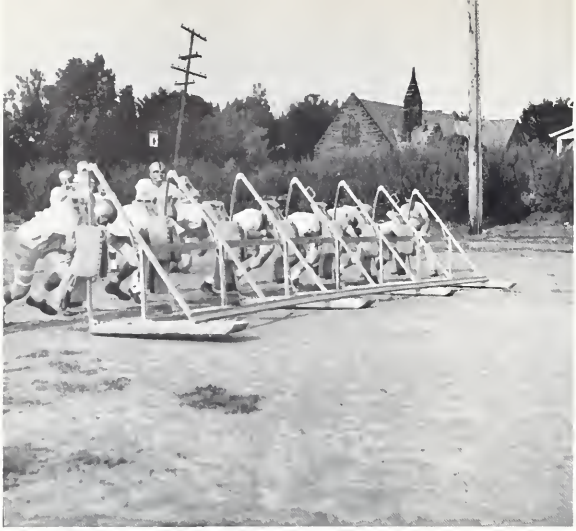
School is beginning. The year starts with the first week, filled kith confusion, meeting new friends and teachers, and most importantly, orientation at North.

SUMMER

AUTUMN

INTO FALL

School is progressing. The students know their teachers and classmates fairly well. They are beginning to study in earnest. The football squad is beginning their season. The band plays their halftime show. The cheerleaders lead the crowd in a rousing cheer. Students join clubs. They create the fun of the Booster Drive, and participate in the traditions of Homecoming. They sing "Polar Pep" and the "Loyalty Song." As they do these things, the students of North come to grow in knowledge, appreciation, and loyalty.



Practice makes perfect!

These girls are not preparing to take off, but merely leading the crowd in a rousing cheer.

With Doug Hager as the doorbell and Randy Wetzel as the wife, "Pop" Olmstead shows the students of North what it is like to be the victim of some "eager" Booster Drive members.

Oh, what a show!

Y-Teens is a heavenly club!

MRS. KUNKLER
SECRETARY

Forming the nucleus of North High is the office staff. All activity is formulated by these capable people who are dedicated to improving North High. These are the people who set the backdrop for everyone who attends North. Yet, for all their busy moments these people are never too involved to stop and listen to questions from new teachers, solve problems or first stop for some friendly conversation. Their standards are growth towards excellence, and at the same time their personalities are warm and outgoing. As each senior class leaves North, they will never forget the growth gained in association with Mr. House, Mr. Decatur, Mrs. Kunkler, and Mrs. Poling.

COUNSELORS CREATE CHOICES

Problems. Tests. College. Careers. These are the directive forces in every North High student's life. In each of these areas important decisions must be made. Crucial choices demand qualified help. North is fortunate to have personnel who are capable of performing these tasks. Mr. Byerly, Mrs. Bumen, and Mrs. Wolf, who is new to the counseling staff, are always willing to help a questioning student.

ADVISORS,

ACTIVITIES

MISS GREGG

MR. WOODRUFF

MR. BUDD

The woman who never stops running, the man who carefully checks little white pieces of paper, and/or the man who keeps the money could only apply to three peppy people: Miss Gregg, Mr. Budd, Mr. Woodruff. Miss Gregg does so many things that it would be impossible to enumerate them. Running the P.A. system, supervising North's activities, and remaining calm during a crisis are only a few of the talents possessed by her. Mr. Budd runs North's attendance office and fills out forms and forms and forms. He is able to locate any student in school, if necessary. Mr. Woodruff, better known as Woody, does an almost impossible job by keeping track of every penny spent or received at North.

LANGUAGES

MRS. EGGERS

Does English puzzle you? Then "Je m'appelle Henri," "Adios amigo!" "Sprechen zie Deittsch?" and "Veni, vidi, vici" probably really has you going in circles, yet to approximately four-hundred fifty students, these phrases are practiced daily. Constantly, Mrs. Sherman, Mrs. Eggers, and Mrs. DeWees, pour information into the minds of these bilingual intellectuals. Aiding these students is North High's language laboratory, where they can hear the correct pronunciation. The language laboratory has proved very beneficial for students and language teachers.

SOUNDS OF MUSIC AND SIGHTS OF BEAUTY

Sounds of music float from the music rooms of North at all hours of the day. The choral groups, led by Miss Ross, work hard at perfection. Their work is rewarded by the success of the many programs in which they participate, and by the ever-increasing number of plaques earned at contest.

Instrumental music is heard at pep rallies, football games, dances, and concerts. Under the direction of Mr. Dale the orchestra and bands have contributed much to the spirit and enthusiasm of the students of North.

Sights of beauty greet the eyes of the many visitors to North. Patiently taught and encouraged by Mr. Roberts, the artists of North have brightened the halls with samples of their fine work.

BUSINESS

The teachers in the business department of North High School help the students to acquire skills needed to obtain jobs in the business world.

Students in typing and shorthand are drilled by their teachers until they know the keyboard well and can effectively use the shorthand symbols.

In business English, the students learn to write correct and appealing business letters. In the math field, business math and bookkeeping are offered.

Those students wishing to work in retailing half a day and attend classes the other half are in the distributive education class.

ENGLISH

Swamped with many book reports, themes, tests, and homework assignments, our eleven English teachers diligently concentrate their efforts to the difficult task of imparting as much knowledge as possible to their students.

Our English department conducts classes in dramatics, debate, and journalism. Teaching the written and spoken word is the major concern of the English department.

HISTORY

Current History, P.O.D., American History, World History, and Geography are all taught by the helpful historians of North High School. Learning about the past helps students to live in the present, and apply these lessons to the future. What these educators teach students now will govern the students' lives and our country, for today's students are tomorrow's leaders.

SPECIAL SUBJECTS

Besides the traditional academic subjects, North offers home economics, industrial arts, and drivers' education.

In these home economic classes, girls acquire skills in cooking and sewing. This is, of course, valuable training for them as future homemakers.

Boys work with wood and metal during their industrial art classes. This provides them with practical experience to be applied in their later lives.

Driver Education, taught by Mr. Morrison, is also a special course. Students studying this course combine classroom knowledge with actual driving experience to equip them for the road.

PHYSICAL EDUCATION

In the physical education courses offered at North, students become more physically fit as well as learning better sportsmanship.

The boys under Mr. Eaton and Mr. Shaw play football, basketball, softball, track, and other team activities.

Mrs. Welch and Miss Cotton teach the girls in the needed skills. Besides the regular class activities, speedball, basketball, volleyball, and softball, they may participate in intramurals.

Odd sensations come over the students of Mr. Spence's electricity classes.

Mr. Hindman is always glad to help students.

MATH

Amidst a flood of compasses, slide rulers, protractors, and a barrage of spirited if not always pertinent questions, the four talented and devoted teachers of the math department manage to keep composed.

The courses they conduct consist of algebra, geometry, senior review math, trigonometery, and fifth year math. Even with the intense concentration and long hours of study required in this field, the time spent is richly rewarding.

LIBRARY STAFF

Our most efficient library staff, consisting of students who offer their services to help keep the library running smoothly, is headed by Mrs. Wright. This year, she is assisted by a new librarian, Miss Authar.

The primary purpose of the library staff is to issue books to students and to organize shelves and magazine files. These volunteers also aid students, searching for information and books for reports and extra reading. In addition to all of these things, the library staff holds various social events and activities.

SCIENCE

Under the guidance of qualified teachers, North High students are given an opportunity to increase their knowledge of science. Biology, chemistry, and physics are the courses offered. Five laboratories are provided for the science problems. Microscopes aid the students studying biology.

This science background will give some students a basis for a science profession; and all, a better understanding of the world they live in.

CAFETERIA HELPERS AND CUSTODIANS

Under the advisorship of Mrs. Holt, the cooks in the cafeteria plan and prepare the meals for North High.

Without the help of the janitors working under Mr. Zeller, one can't imagine what North might look like. On a constant shift, even all night, the janitors keep North in top shape.

Without the constant assistance of these people, a school such as North could not exist.

Mr. Fredericks, Mr. Foster, and Mr. Zeller work hard to keep North spotless.

MAJORETTES

As football fans found seats in the bleachers, the majorettes began preparing to participate in the pre-game activities and the half-time ceremonies. Being a majorette, though, involved more than just twirling a baton in the football games. First of all, the girls interested in becoming majorettes began practicing for try-outs in the spring.

As a result, by April the continual practice had produced blistered hands and sore arm muscles. Then, the enthusiastic girls fearlessly braved the tryouts.

The girls selected were Jane Johnston, Jennie Dortmund, Gloria Wilson, Karen Phillips, and Debby Daniels. They worked diligently throughout the year. After the last football game ended, the majorettes, with hair wringing wet, strutted off the field with the satisfaction that they had added to the growth of North, 1964.

The majorettes are Karen Phillips, Janie Johnston, Jennie Dortmund, Gloria Wilson, Debby Daniels.

MARCHING BAND

No football game would have been complete without the clockwork performance of the North High Marching Band. It seemed that everyone's heart beat a little faster when the whistle of Drum Major Clark Seymour sent the band down the field with the familiar strains of "Polar Pep."

The band practiced every day during the last two weeks of August, during homeroom, and first period in the football season. This season the band proved their motto "Good, Better, Best, Never let it rest, until your good is better and your better is best" by giving North their best performance.

DRUM MAJOR

Two years ago, Drum Major Clark Seymour began taking baton lessons from Eileen Ansley. Clark has been drum major at North for two years and hopes some day to be drum major at Oberlin College.

Among this year's flashy exhibitions were "steeple chases" (high aerials) Ohio State strut, and goal post catches. Heads turned last fall when Drum Major Clark Seymour twirled distinctive gold batons and led the North High Marching Band through another very successful season.

BOOSTER CAPTAINS

Booster tickets are sold by fellow students.

North's annual Booster Drive exemplifies the students' loyal and enthusiastic participation in helping their school. The Booster Drive which is conducted by the Polar Bear Booster Association, finances additions and improvements for North's athletic program.

This drive is led by senior Booster Captains who are chosen for their positions of leadership in the school. Under their direction, student teams thoroughly canvas the North side.

This year Susan Barnes and Jerry Smith acted as student co-ordinators in organizing this successful drive on Thursday, October 1.

Though our goal of three thousand dollars was not met on drive night, it was later reached.

BLOCK "N" SERVES NORTH

Block N under the leadership of Miss Meta Gregg is formed by one hundred and forty-four of North's students. They cheer for the Polar Bear football team at all of the home football games except Homecoming.

The student co-chairmen this year are Woody Campbell and Jerry Smith. They do a great job in organizing the students and keeping the capes in order.

The Block N is formed by maroon capes with a background of gold capes. This year the group worked with the cheerleaders in creating a rousing, cheering section. There are sophomores, juniors, and seniors forming North's colorful Block N.

Captain Sterling White leads the Bears out against Whetstone on Homecoming.

POLAR BEARS EXERT EFFORT ON FIELD

The Polar Bear football team, handicapped by a serious lack of speed and size, played spirited ball all year, but could compile only an 0-9 record, duplicating the previous season's performance.

The Bears showed an excellent defense at times, especially in second half action, but they were never able to couple this with an adequate offense. Lacking the speed to run wide and the power to go up the middle, North experimented all year in its backfield, using over a dozen different players in the course of the season.

Perhaps North's finest game was against Walnut Ridge, in which the Bears lost with less than 10 seconds remaining in the game, by the score of 14-8. Another fine effort by the Bears was in the Linden-McKinley game, as they outscored their opponents 14-0 in the second half. In the finale against Eastmoor, North again sparked late in the game, as Don Pennell scored two touchdowns in his first shot at quarterback and the sturdy Bear line showed its fine potential with crisp impressive blocking.

North's outstanding performers were tackle Sterling ("Tojo") White and end Kevin Enke, both of whom received honorable mention in the city. Sterling was elected by his teammates as most valuable player of the '64 team for his fine versatile performance.

CROSS COUNTRY

Those hardy-souled, iron-legged individuals who braved the autumn elements in compiling dozens of miles in practice running, and added to that dozens more in actual competition, composed this year's cross country team. Under the supervision of Mr. Shaw and Phil Nabil, a student and long distance runner from Ohio State, the team finished eighth in the city and tenth in the district. Its overall season record was 2-8. The first two men on the team were Senior Dave Wheeler and Junior Bob McFarland.

VARSITY N

Varsity N was created to give North's athletes something extra for their efforts. It consists of those boys who have won a letter in any sport at North. Varsity N membership gives those boys the privilege of attending all home games in any sport for the yearly fee of one dollar. Mr. Hindman heads the organization which is merely nominal and holds no meetings.

HOMECOMING:
OCTOBER 9, 1964

Queen Rachel and her escort, Steve Mushrush, enter Wonderland by Night".

The Queen and her court reign over the dance.

HOMECOMING 1964, PRODUCES MAGIC DURING "WONDERLAND BY NIGHT"

Have you ever seen a "Wonderland by Night?" Those who attended the 1964 Homecoming Dance can tell of a magic occasion, one that will grow in their memories as the years pass.

It was a special night of wonder for the court of Liz Brandenburger, Kaye Darling, Retta Early, Vicki Hutchison, and for Queen Rachel. To be Homecoming queen is an honor, the highest tribute North can pay a girl. It lifts her from the everyday life of school to a land of wonder.

Although the Polar Bears were not victorious, it did not mar the enchantment of a blue and gold Wonderland, "A Wonderland by Night."

Students watch the intermission and the serenading.

The Court and their dates enjoy the Queen's Dance.

The Top Ten Candidates for Homecoming Queen were as follows: (bottom row) Kaye Darling, Bonnie Jeandrevin, Vicki Hutchison, Anne Reed, Jeri Birtcher, and (top row) Brenda Shropshire, Retta Early, Rachel Watts, Ruth Barton, Liz Bradenberger.

The Varsity cheerleaders are Anne Reed, Kathy Wenger, Rachel Watts, Retta Early, Carol Potts, and Anne Dimit.

The head cheerleaders are Rachael Watts and Carolyn Kessler.

CHEERLEADERS

A deciding basket — a winning touchdown. The response is the mighty roar of several hundred Polar Bears led by the cheerleaders of North High School. Because these girls are the leaders of our team support, they are an important part of North.

In the spring, the varsity and reserve cheerleaders are carefully chosen through two try-outs. First of all, the G.A.A.'s choose the twelve finalists. From these girls, the final six are chosen by a faculty committee.

North's school spirit is one of its strongest assets. The cheerleaders help keep it alive and growing.

The Reserve cheerleaders are Ann Saslaw, Carolyn Kessler, Sally Wheeler, Vicki Barnhouse, Shana McCabe, and Sherry Cathers.

GENERAL SCHOLARSHIP TEAM RANKS HIGH IN STATE

This year's Scholarship Team was composed of forty-eight members all of whom took in the Ohio General Scholarship Test for High School Seniors in November. The students picked for membership, displayed good academic achievement in the areas of English, social studies, science, and mathematics.

Preparation for the General Scholarship test consisted of many hours of study including the 8 A.M. review sessions several mornings at school prior to the test. The Scholarship team made a fine showing for themselves as North's General Scholarship Team's have in the past.

Scholarship Team members frequently review together.

This year's North High Orchestra was very promising. Under the direction of Mr. Dale, they performed two concerts, winter and spring. They also played for the two school plays and various school assemblies.

On December 13, 1964, the orchestra had the distinct honor of performing Handel's "Messiah" for the Christmas program at Central High School. Twelve high school choirs, including North's, sang Christmas selections at this program.

Students of North noticed the new attire of the orchestra this year. The girls wore maroon jumpers and the boys wore maroon suit coats.

PLAY PROVIDES MOVING MOMENTS AND ADDS TO NORTH'S GROWTH IN 1964

Captain Keller, Aunt Ev., Helen, and Kate Keller.

OUR FALL PLAY. . "THE MIRACLE WORKER"

On November 20, 1964, North High School presented "The Miracle Worker" as its fall play. This play is the story of the hardships Annie Sullivan encountered while trying to teach Helen Keller, a deaf, blind, and mute girl, to communicate with her hands and to understand what she says.

Mr. Donald Dupre directed the performance with the assistance of Nancy Fisher, the student director. The difficult part of Annie Sullivan was expertly portrayed by Grace Brophy.

One of the most demanding characterizations was that of Helen Keller, played by Cathy Corzatt. Cathy had to convey to the audience the thoughts and emotions of Helen without being able to speak, hear, or see. Cathy's single line, "Wah . . . wah, Wah . . . wah," was the climax of the play when Helen finally understands that words mean tangible things.

Dave Chase was Captain Keller, Linna Crow was Kate Keller, Mark Seymour was James Keller, and Sue Nicholas was Aunt Ev. Marie McConnell played Viney, the cook, and Jerina Copsey and Jean Perry were Sara and Martha, two young girls. Woody Campbell and Ray Crook portrayed two doctors, and Carol Dignan, Marilyn Lloyd, Bobbie Mirise, and JoAnn Van Atta were the blind girls.

Mr. and Mrs. Keller look wonderingly upon their daughter's teacher.

Annie Sullivan marvels at Helen's ability to comprehend.

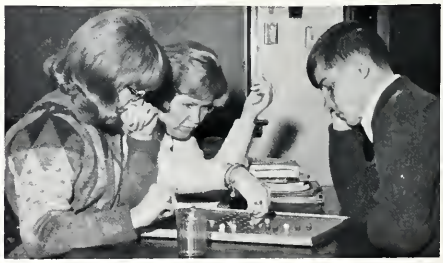
MEMORY BOOK

You are now reading and seeing the results of more than a year's planning and work for another North High Memory Book. Section editors spend many after-school hours writing about North High's varied activities.

It isn't strange that the yearbook is called "The Memory Book," because the staff members would find it almost impossible to forget their amazement as they started with nothing and ended up with 160 pages of *memories!*



Happiness is Chinese Checkers instead of pasting-up.

STUDENT COUNCIL

The Student Council injects the students' voice into the affairs of the school. It is composed of one representative from each sophomore and junior homeroom and two representatives from each senior homeroom, all of whom attend twice-monthly meeting. The next day the affairs discussed in the council, are reported to the homerooms and are further discussed.

With the able guidance of Mr. Dupre, the council determines and co-ordinates such activities as raising Christmas money for needy families of the area, selling athletic programs, sponsoring dances, and other matters basic to the students' share of school responsibility.

Social and Recreational Council sponsored the Gridiron Hop after a football game. They also planned dance policies and procedures for dances after basketball games. The biggest event of the year sponsored by the Social and Recreational Council was the Belle & Beau at Valley Dale.

STUDENT COURT

The Student Court of North constitutes its judicial branch of student government. The Court is made up of seniors elected by the student body. There are six judges, a chief justice, and four clerk-baliffs.

The Court met daily and judged cases, handed down verdicts, and helped the students. The members of Student Court this year have done a fine job in enforcing school rules and advising students.

Purchasing flowers and decorating the stage for baccalaureate was one of the services rendered by the Student Court.

The officers elected for the Safety Council were Woody Campbell, president; Mark Wise, vice-president; David Hiss, treasurer; and Nancy Bradfield, secretary.

AUDIO-VISUAL

Audio-Visual, under the expert leadership of Mr. Sparrow, is composed of hard working boys aiding the teachers with recorders, record players and film strips which help them in teaching classes and subjects.

It takes a tremendous amount of effort to run the Audio-Visual department at North, but the boys are conscientious and work tirelessly to keep the department in order.

After collecting all of the pink slips, blue slips, and white slips, they type and distribute the attendance lists. Along with their job of keeping attendance records, these busy girls answer the telephone and file schedule cards.

Whenever you have received one of the green "report-to-the-office" slips you probably did not realize the work that went into the process of getting it to you.

Also, there are awards given to those students who have accumulated a specific number of points by participating in extra club activities. These awards include a certificate, a North pin, and an achievement pin.

SPECIAL SERVICES

Under the careful guidance of Mr. Briggs and student co-ordinator, Gloria Wilson, Special Services is responsible for all of the mimeographed work at North. These girls do accurate and dependable work. They type and mimeograph the daily bulletins and tests for the faculty.

MAIN OFFICE STAFF

Almost everyone at one time or another has visited the main office. You might have been sent to deliver a message or you might have been extended a personal invitation. (Watch out for those little green slips!) In either case, you were offered the courteous service of the office girls.

In addition to the expert efficiency of the office girls, you were undoubtedly impressed at the excellent leadership. Mr. Edgar W. House has served North High devotedly as principal. He has supported North's traditions to the utmost. Mr. Robert Decatur, our vice-principal, has been at North for three years. He, too, has recognized North's traditions and status. But, we should recognize them with their superb qualities of leadership, as the chief reason why North continues to rank with distinction among Ohio high schools.

BOOKROOM STAFF—BOTTOM ROW: Joe Frasch, Steve Cox, Chrm.; Jim Kimnach. ROW 2: Dave Ackerman, Steve Knipe, Barry Heilman, Bob Sprague.

BOOKROOM STAFF

The bookroom staff claims to be the "unsung heroes" of North High and they can justify their title to some extent. For we forget that they sacrifice a portion of their summer vacations to count and check the books to the satisfaction of Mr. Budd. We also overlook the various repairs of books they make throughout the year. Certainly we must give them credit for handling smoothly their biggest task: the distribution and the collection of textbooks.

RADIO STAFF

The voices that flow over the P.A. system most generally come from the members of the Radio Staff. This staff is under the leadership and supervision of Miss Gregg. These students work to handle any announcements to the whole school, and other special bulletins.

Among the activities of the club this year were a bake sale and a newspaper drive. Not all the activities were money-raising projects. In November, the club had a beatnik dance party, and in December, a Christmas party for alumnae of the Band and Orchestra.

BIBLE CLUB

The purpose of the Bible Club is to give members a chance to have Christian fellowship with other students at North.

Ministers and teachers are invited as guest speakers to meetings which are held every morning. Two parties are held each year, one at midyear, the other in June.

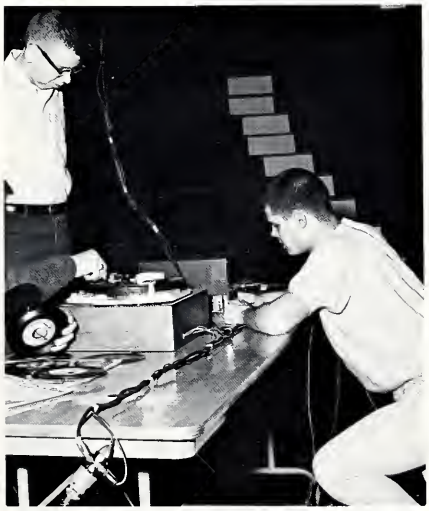
Under the advisorship of Mr. Sparrow, the team then arranged matches with other schools such as Eastmoor, Brookhaven, Marion-Franklin, and Whitehall.



Members of the stage crew work behind the scenes of many school activities.

RED CROSS

The Red Cross organization at North was formed to train students interested in future careers of medicine. One of the most important projects was their visit to the blood center in February, a valuable experience for all forty members.

A major event of the year was the orientation held in the spring at the Electric Company. Here, prominent representatives of this field gave both information and inspiration to those students who attended.

Last, but not least, the Red Cross, in hopes that the coming year would be as successful, sponsored a car wash to boost their treasury.

BASKETBALL

North finished an unpredictable basketball season with a 7-9 record. The team posted a 3-8 record in a very tough City League race, finishing in a tie for seventh. Lacking consistency, the cagers showed hints of excellence that at times threatened to blossom into outstanding basketball. With only two seniors on the squad, the Polar Bears lacked the maturity that comes from experience.

Among the more exciting games of the year was a 56-53 win over Worthington in the opening game, a 66-62 victory over Watterson, and a 70-69 conquest of arch-rival Whetstone. North was paced all year by its senior captain and all-city center Bob Kanuth. He averaged 18.7 points per game, good for fourth place in the City League race. The loss of Kanuth, one of the best basketball players to come from North, leaves next year's team with a big gap to fill.

In the district basketball tournament, North could not get past a fine Eastmoor team in the first game, losing 80-60. A large turn-out by enthusiastic students expressed appreciation for a very interesting season. Mr. Eaton once again served as coach of the cagers.

Kanuth and Clifford pull down a rebound as Pennell looks on.

Throughout the school year the North's speech and debate team compete with other schools in speech tournaments and student congresses. They entered in debate, extemperaneous speaking, humorous interpretation, dramatic interpretation, original oratory, and ortorical declamation. Not only do the students participating gain experience in public speaking, but they also earn points for membership in the National Forensic League of North High School.

The National Forensic League is a club composed of students who enjoy speaking in inter- scholastic competition. Through participation in speech events, the student may earn points, these being given in proportion to the excellence of his performance.

An individual earning twenty-five points, earns the right to join the club. The degree of honor is achieved with seventy-five points, the degree of excellence with 150 points, the ultimated degree of distinction with 250 points. In this way, as the student's skill in speaking grows, his attainment of degrees increases also.

VERGILIAN CLUB

RECEIVES HIGH HONOR

Vergilian Club is a special organization designed to give Latin students a chance to meet other Latin students in pursuit of a common interest.

Each year the club has two picnic meetings. They have a variety of programs and speakers to familiarize the members with subjects of interest in the Latin area. The club's biggest event is the annual Junior Classical League State Convention in the spring.

This year North has been honored due to the excellent teaching methods of Mrs. Frances DeWees. North has received the Hildenshein Vase which is the symbol of excellence in Latin scholarship. It is presented annually by the Ohio Classical Conference and is patterned after Roman relics found in Germany.

Mrs. DeWees was the proud recipient of the Hildenshein Vase for excellence in teaching Latin.

"BELLE AND BEAU" PROM HAS A MARDI GRAS THEME

The tenth annual Belle and Beau Prom was held on January 27, 1965. As the people came into the Valley Dale, they were handed black and gold glittered masks. The night at the Mardi Gras began, and giant heads and balloons added to the decorations. To complete the Mardi Gras atmosphere, the Mixed Ensemble sang "Charade" and the Polar Bars, a group of North boys, entertained with selections of Dixieland music.

Steve Cox, president of Social and Recreational Council, was the host for the evening, while the Beau Court and their Belles walked across the floor, Steve announced them — Don Pennell, Doug Hager, Bob Kanuth, Dave Vance, and Tom Parrish.

Rachel Watts, Homecoming Queen, then announced the 1965 Beau . . . Bob Kanuth!

As remarked by many people, this year's Belle and Beau Prom was the best ever, and will remain in the minds of all who attended.

Y-TEENS HELPS GIRLS TO GROW THROUGH PROJECTS LIKE "LINKS"

Sally Wheeler, Sue Trago, and Retta Early organize tickets for the Y-Teens sponsored dance, "Orginc".

BASEBALL

The crisp sounds of bat against ball and catching mitts popping from smouldering fast balls indicated the arrival of another spring and with it the return of the "national pasttime", baseball. Returning to the team were six seniors, led by co-captains Ed Robb and Don Pennell. They provided a versatile and experienced nucleus to which important junior and sophomore contributions could be added. Mr. Eaton was ready to serve his sixth year as head coach.

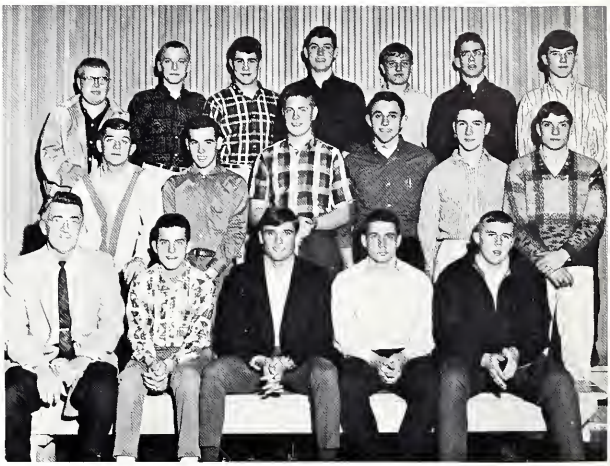
SENIOR BASEBALL PLAYERS — BOTTOM ROW: Bob Kanuth, Don Pennell, Ed Robb, Charles Purdy. ROW 2: Sterling White, Pat Saunders, John Markham, Mike Shockley.

Mr. Eaton considers pitching techniques with his "battery", catcher Don Pennell and pitcher John Markham.

Batting grips and stances are analyzed by co-captains Pennell and Robb, moundsman Markham, and Coach Eaton.

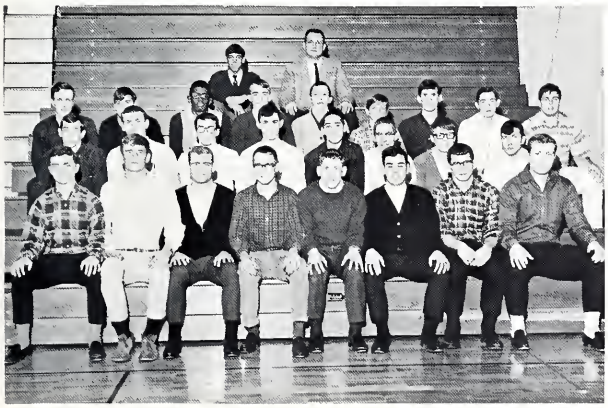
GOLF

North's golfers hit the fairways early this year to make up for a lack of experience. Only one letterman, John Evans, returns to the Polar Bear foursome, which is coached again this year by Mr. Wootton. The team will do their practicing and playing on Ohio State's Scarlet and Grey courses. This year, no doubt, they will again be more than up to par.



1965 GOLF TEAM CANDIDATES — BOTTOM ROW: Mr. Wooten, Jerry Reiniger, Doug Hager, John Elsbee, Terry Miller. ROW 2: Larry Deere, Al Long, John Evans, Ken Wilson, Richard Davis, Doug Shiflet. ROW 3: Michael Ewers, David Leighty, Mike McConnell, Ken Corwin, Bill Shropshire, Glenn Hatfield, Larry Schultz.

1965 TRACK TEAM — BOTTOM ROW: Terry Russell, Steve Lucas, Dave Vance, Bill Barr, Joe Lehner. Tom Hall, Bob Oppenheimer, Pete Bush. ROW 2: Mike Keith, Andy Dalmy, Bob Likens, Don Harlor, Lee Pierce, Bob McFarland, Dick Gilmore, Barry Snider. ROW 3: David Wheeler, Scott Tallent, Ed Johnson, Jim Haddon, Terry Kubler, Ron Savage, Scott Rose, Jim Markham, Jim Murphy. ROW 4: Phil Nabil, Mr. Shaw.



TRACK

Perhaps no sport requires as much pre-season practice and conditioning as does track and field. Appropriately, many of North's cindermen started running in the halls in midwinter and exercising by other means. Nine seniors lead the track team into the spring season, but the underclassmen are expected to lend important support. Mr. Shaw, with the assistance of student coach Phil Nabil, is mentor for the trackmen. With the wide variety of events encompassed by the term "track and field", the meets in Spring prove among the most interesting events of the athletic year.

ADVANCED ART

The advanced art class is a chosen group of students who show ability and interest in art. Most advanced art students intend to go into some field of art after high school.

ART ADDS TO NORTH'S GROWING INTERESTS

ART CLUB

Art Club is an organization created for the students interested in learning about art outside of the classroom. The club takes tours to galleries around the city and gets acquainted with the art programs of other high schools and colleges.

As in other clubs, the Art Club has its social events such as the Christmas party. During the party, the members draw and paint murals of Christmas scenes for North's own gallery. The president of this year's Art Club is Dan Marshall.

During the year, the Pre-Med Club took field trips to various Columbus hospitals and to institutions such as the Blind Institute. The students were shown movies and slides that were connected with the field of medicine. Also, they listened to lectures from doctors or from other men who were qualified in this field.

The officers for the Pre-Med Club were as follows: Gail Fotheringham, President; Dean Huffman, Vice President; Barbara Shulters, Secretary; and Tony Penzone, Treasurer.

FUTURE TEACHERS OF AMERICA

F.T.A. is an organization established to further the knowledge of interested students in teaching careers. It gives the students the opportunity to teach an elementary school class and also a senior high school class of their choice.

This year F.T.A. held a mock election in November to find out how our voting would compare with the National Election

F.T.A. also is sponsoring the Medary Project. This is where selected girls go to an elementary school and aid the children in games at noon. There will also be a field trip to the Historical Museum.

This year's officers are Retta Early, President; Rachel Watts, Vice President; Kaye Darling, Secretary; Anne Reed, Treasurer.

SENIOR CHOIR

North's Senior Choir continues to achieve superior ratings throughout the year. Much of the credit for this fine record must be given to Miss Evelyn Ross, who has been the directing force behind the choir as they receive music honors in the state.

Steve Burkey, president of Senior Choir and student director along with Dave Chase has led the choir in many performances during the year.

The Senior Choir, an outstanding group of mixed voices, participated in many school activities as well as many community affairs. The group met three times a week not including the numerous practice sessions. The Senior Choir sings at assemblies and also carols through the halls before the Christmas holidays. The year the choir received new vestments which were first worn for the Christmas assembly.

The Senior Choir participated in district and state music concerts, and sang at the festival at St. John Arena. The voices of the Senior Choir presented the impressive music for the graduating class. North can be proud of the performances of its Senior Choir.

MIXED ENSEMBLE

The Mixed Ensemble is composed of those students in the vocal music department who have displayed excellent singing ability at North. Although it takes long hours of hard work in preparation for the group's many appearances in and out of school, it is one of the best known and most honored of North's musical groups. One of its best known performances is "T'was the Night Before Christmas", which has become a tradition at every Christmas Assembly. In addition, it performs at many contests and concerts outside of North and unfailingly adds to past honors received in vocal music.

JUNIOR CHOIR BOYS' AND GIRLS' GLEE

Junior Choir headed by Miss Evelyn Ross worked very hard this year in preparation for the Spring Concert. They sang songs from "Carousel" and other selections. The choir also went caroling for Kinder Key at Christmas time.

Although the Junior Choir didn't get to participate in too many programs, they have gained the experience that is needed for a good Senior Choir next year.

During the third and eighth period, two days a week, the third floor halls echo with the sounds of the Boys' and Girls' Glee Clubs.

The majority of the Boys' Glee Club is made up of boys from the senior and junior choirs. The Girls' Glee Club is composed mainly of girls from senior choir.

Many performances are perfected during long weeks of rehearsal in room 300 under the direction of Miss Ross. The Boys' Glee Club presented songs to the student body at the Spring Concert, while the Girls' Glee Club sang at the Thanksgiving Assembly and at the Spring Concert.

HI-Y CREATES LEADERSHIP AT NORTH

Plans for the monthly meetings of the Hi-Y are made by cabinet members under the advisor, Mr. Evans. Many interesting and informative programs are presented at the meetings which are held on special assembly days. The Hi-Y joins with the Y-Teens to present our annual Christmas program and spring dance the "Orginc." Enthusiastic response to the clubs programs reflects on its purpose, "to create, maintain, and extend throughout the home, school, and community high standards of Christian character."
